

## Thinking Out Loud – Ed Sheeran

<https://www.youtube.com/watch?v=lp-EO5I60KA>

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks

And darling I will be loving you 'til we're 70  
And baby my heart could still fall as hard at 23  
And I'm thinking 'bout how people fall in love in mysterious ways  
Maybe just the touch of a hand  
Oh me I fall in love with you every single day  
And I just wanna tell you I am

So honey now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud  
Maybe we found love right where we are<sup>1</sup>

When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way, mm  
I know you will still love me the same

'Cause honey your soul can never grow old, it's evergreen  
Baby your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways  
Maybe it's all part of a plan  
I'll just keep on making the same mistakes  
Hoping that you'll understand

But baby now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud  
That maybe we found love right where we are, oh

So baby now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Oh darling, place your head on my beating heart  
I'm thinking out loud  
That maybe we found love right where we are

Oh maybe we found love right where we are  
And we found love right where we are

*Quando le tue gambe non funzionano più come prima  
E non posso muoverti dai tuoi piedi  
La tua bocca ricorderà ancora il gusto del mio amore?  
I tuoi occhi sorrideranno ancora con le tue guance?*

*E cara ti amerò fino a quando non avrai 70 anni  
E baby il mio cuore potrà innamorarsi come a 23 anni  
E sto pensando a come le persone si innamorano in modi misteriosi  
a volte anche solo sfiorando una mano  
Oh io mi ri-innamoro di te ogni singolo giorno  
e voglio dirtelo*

*Perciò tesoro ora  
prendimi tra le tue dolci braccia  
baciami sotto la luce di migliaia di stelle  
Poni la tua testa sul mio cuore palpitante  
sto pensando a voce alta  
Magari abbiamo trovato l'amore proprio dove siamo*

*Quando la mia testa se ne va e le  
Mie memorie svaniscono  
E le folle non ricordano più il mio nome  
Quando le mie mani non suonano più nello stesso modo  
So che mi amerai ancora nello stesso modo*

*Perchè dolcezza la tua anima non può invecchiare  
É sempreverde  
Baby il tuo sorriso sarà sempre nei miei ricordi*

*E sto pensando a come le persone si innamorano  
In misteriosi modi  
Magari è parte di un piano  
io continuo a fare gli stessi errori  
Sperando che tu ora capisca*

*Ma tesoro ora  
prendimi tra le tue dolci braccia  
baciami sotto la luce di migliaia di stelle  
Poni la tua testa sul mio cuore palpitante  
sto pensando a voce alta  
Magari abbiamo trovato l'amore proprio dove siamo*

*Allora baby ora  
Accoglimi nelle tue amorevoli braccia  
Baciami sotto la luce di migliaia di stelle  
Appoggia la tua testa sul mio cuore pulsante  
E ci sto pensando molto*

*Che forse abbiamo trovato l'amore proprio dove siamo ora  
E abbiamo trovato l'amore dove siamo ora*

**Edward Christopher "Ed" Sheeran** (born 17 February 1991) is an English singer-songwriter and musician. He was born in Hebden Bridge, West Yorkshire and raised in Framlingham, Suffolk. After dropping out of school at 16, he moved to London the following year, in 2008, to pursue a career in music. In early 2011, Sheeran independently released the extended play *No. 5 Collaborations Project*, which caught the attention of Elton John and Jamie Foxx. After signing with Asylum Records, his debut album,  $\pm$  (read as "plus"), was released on 9<sup>th</sup> September 2011 and has since been certified six-times platinum in the UK. The album contains the single "The A Team", which earned him the Ivor Novello Award for Best Song Musically and Lyrically. In 2012, Sheeran won the Brit Awards for Best British Male Solo Artist and British Breakthrough Act.

Sheeran's popularity abroad began in 2012. In the US, he made a guest appearance on Taylor Swift's fourth studio album, *Red* "The A Team" was nominated for Song of the Year at the 2013 Grammy Awards, where he performed the song with Elton John. He spent much of 2013 opening for Swift's The Red Tour in North America dates. In late 2013, he performed three sold-out shows at New York's Madison Square Garden as a headline act. He was nominated for Best New Artist at the 2014 Grammy Awards.

His second studio album, *X* (read as "multiply"), was released worldwide on 23<sup>rd</sup> June 2014. It peaked at number one in the UK and the US. In 2015, *X* was nominated for Album of the Year at the Grammy Awards, won the Brit Award for Album of the Year, and he received the Ivor Novello Award for Songwriter of the Year. As part of his world tour, Sheeran played three sold-out concerts at London's Wembley Stadium in July 2015, his biggest solo shows to date.
